Summer Reading at Bryan Main Library will be filled not only with fun activities but also with reading rewards!

Sign up now for the rewards program through June 7!

Open to teens and children of all ages, summer reading is a passive library program that rewards younger readers for continuing their reading outside of the school year.

While supplies last, participants can earn a different prize for reading each week.

Everyone who participates in summer reading has the chance to win a raffle prize at the end of July!

In the event of inclement weather on scheduled days for Story Time in the Park, programs will be moved inside the Bryan Main Library.

All Summer Reading programs are FREE to attend!

*Event requires registration. Stop in to the library to sign up or call 833-633-7323 x 221.
